

## PS4 NBA 2K20 Find Gamer/Game Play Instructions

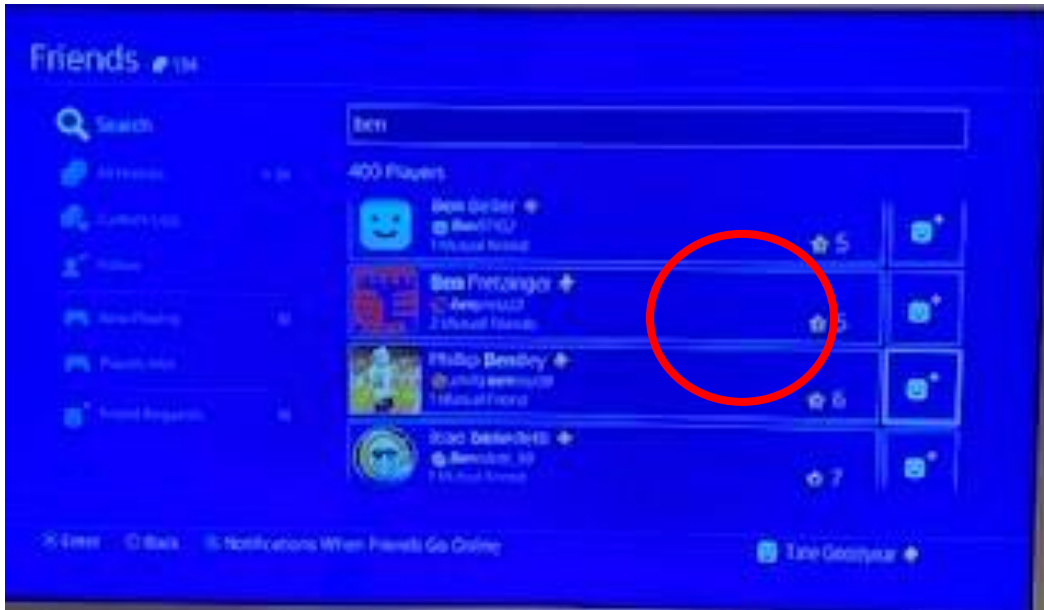

**Step 1:** On the PS4 open screen, select Friends

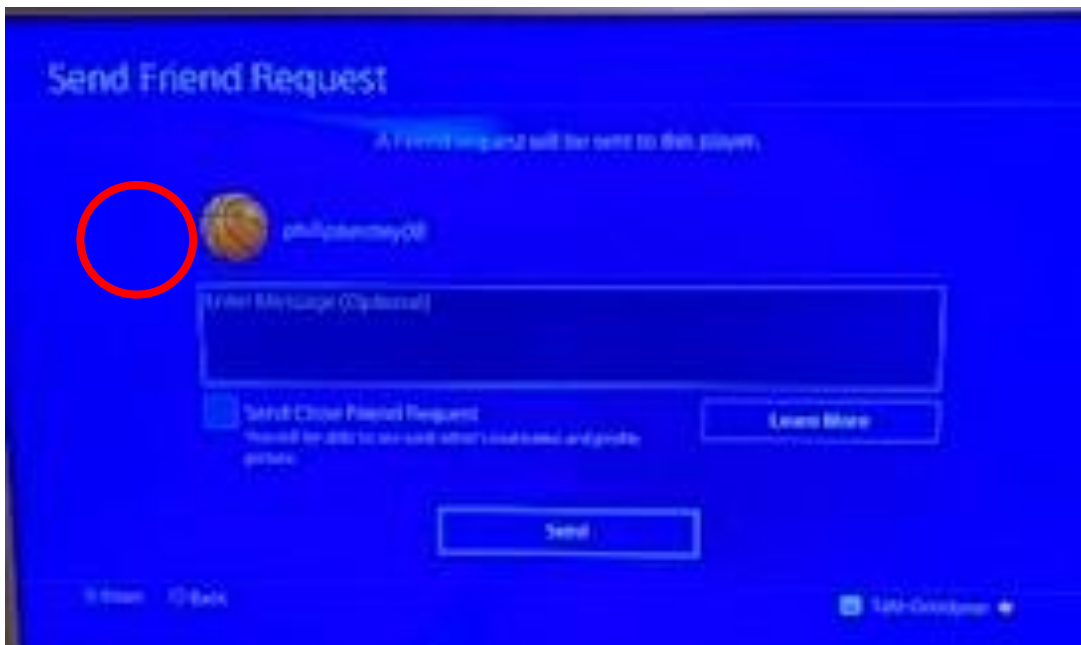

**Step 2:** Select Search and enter the gamer tag of your opponent

**Step 3:** Locate game tag in the results list. Select the icon for sending a friend request.

**Step 4:** Before you send the request, remove the check mark from "Send Close Friend Request". This will remove your name from the request form.

**Step 5:** On game day, on the open screen, click Play now

**Step 6:** Scroll to the right and click Play with Friends

**Step 7:** Find your opponent in your friends list. Select the name and advance.

**Step 8:** Select Private Match and set game settings per the rules. Then play your game.
